

JUDITH KERR PRIMARY SCHOOL LETTINGS POLICY

1. Adoption

The school have adopted the lettings policy and the scale of charges set out below.

2. Introduction

The school regards the school's buildings and grounds (which are owned by CfBT Schools Trust) as a community asset and will make every reasonable effort to enable them to be used as much as possible.

3. Definition of a letting

A letting may be defined as "any use of the school premises (buildings and grounds) by either a community group or a commercial organisation". Activities which fall within the corporate life of the school, such as PTA meetings and events and extra-curricular activities for pupils organized by the school are not considered lettings.

4. Priority for lettings

The school is mindful of the needs in the local area and encourage lettings that support community enrichment.

Some activities are not considered to be appropriate for lettings as they are either well provided for in the local area; are not deemed to be compatible with the ethos of the school or are not able to accommodated within the school facilities.

5. Charges and Payment

Scale of charges

The school is responsible for setting charges for the letting of school premises and will ensure that the school budget does not subsidise non-school activities and that all costs are recoverable. In arriving at their scales of charges the school has followed the following principles:

- There will be parity of treatment for similar users
- The overall cost of letting school facilities will be recovered from users

For the purpose of charging, the Head of School is empowered to determine to which group any particular individual or organization belongs. The scale of charges is attached at Appendix 1 to this policy and will be reviewed annually by the school for implementation from the beginning of the next financial year.

Discounts

The Head of School may offer discounts or agree a subsidy for any lettings, as they deem appropriate.

Minimum charges

The minimum hire period will be 1 hour.

Deposits

The school reserves the right to require a deposit over and above the hiring charge as a surety against damage to the premises (including any equipment) or the premises being left in an unacceptable condition incurring additional cost for cleaning, caretaking or other expenses.

Payment methods

Payment for individual bookings will be required in advance via internet banking. Payment for recurring booking will be payable termly in advance. A receipt will be issued for all payments received.

6. Cancellations

The school will seek to recover any cost incurred by the school which is unavoidable and result directly from the cancellation of a letting. Details of the cancellation charges are show in the scale of charges in Appendix 1.

7. Letting times, available facilities and equipment

The following times, facilities and equipment available are agreed as follows:

The dining hall, conference room and main hall are available for hire from 15.30 to 16.30 Monday to Friday term time only.

Variations to these facilities and times will be subject to the approval of the Head of School

8. Management and administration of lettings

The school has delegated day-to-day responsibility for lettings to the Premises Manager. Where appropriate, **the Head of School** may delegate all or part of this responsibility to other members of staff, whilst still retaining overall responsibility for the lettings process.

9. Considering applications for lettings

Organisations seeking to hire the school premises should approach the Premises Manager. Details of charges and conditions of hire should be given.

A request form (attached as Appendix 2) should be completed at this stage and a record of all enquiries should be kept. The Head of School will decide on the application with consideration to:

- Interference of school activities
- The priority for lettings agreed by the school;
- The availability of the facilities and staff;
- The schools equal opportunities, health and safety and child protection policies;
- The health and safety considerations such as numbers of users, type of activity, qualifications of instructors etc.

If the Head of School has any concern about whether a particular request for a letting is appropriate or not, they may choose not to approve the request.

10. Issuing a lettings contract/Conditions of hire

Once a letting has been approved, a letter of confirmation will be sent to the hirer enclosing a copy of the Conditions of Hire. The school must be in receipt of a copy of the Conditions of Hire signed by the hirer before a letting takes place.

The school has adopted the Conditions of Hire which are attached at Appendix 3. All formal hiring of the schools premises, including those for which no charge is made, shall be properly documented. All hirers must complete a hire agreement and will receive a copy. The hire agreement is a contract which the school may legally enforce. No member of staff is allowed to vary the Conditions of Hire nor to deviate from the published charging policy without the prior consent of the governors.

11. Security

The Head of School in conjunction with the Premises manager will determine the security risk for each letting and will be responsible for allocating a continuous security presence or other control measure. The schools child protection policy and procedures

must be consulted and followed when dealing with external organisations that work with children or young people

12. Complaints procedure

A complaint about the school from someone letting the school premises should be dealt with by following the school's complaints procedure. Complaints by a third party about a letting should be forwarded to Hirer.

13. Review of Policy

The school and Local Governing Body will review the policy each year in the month of October.
