

## Concept Design Consultation, 19th March 2014

Thank you for taking the time to look at our plans. In order to inform ongoing design development, please do **briefly summarise below your opinions on the design proposals for the continuing development of Judith Kerr Primary School.** *Please do ask for extra paper if you require more space to write your answers.*

### The school as it is today

*Before we ask you to consider our design proposals, it's useful to know what you think of the current school.*

1. What do you think **works particularly well about the school building and grounds AS THEY ARE NOW**, that we should take care to consider in developing designs for the next stage?

2. What do you think are the **problems and issues with the school grounds AS THEY ARE NOW**, that we should ideally address in developing designs for the next stage?

### Our design proposals for the school

3. Bearing in mind (a) the project brief and (b) what is possible for the site (Boards 1 & 2 ), **which aspects of the design proposals presented do you think are particularly successful?** *Please explain the reasons for your answer.*

4. Bearing in mind (a) the project brief and (b) what is possible for the site (Boards 1 to 3), **are there any elements of the design proposals that you think are less successful** *Please explain the reasons for your answer.*

5. Overall, on a scale of 1 to 5, with 1 meaning Poor and 5 meaning Excellent, **what do you think of the current design proposals?** *Please circle a number below.*

Poor            1            2            3            4            5            Excellent

Please explain the reasons for your answer.

6. What do you personally feel should be the **top priority for the site** i.e. the aspect/s of the project that you feel are most important to get right?

7. Are you? *Please tick all that apply.*

A local resident       A parent of a child at the school       A local businessowner

A prospective parent of a child at the school       A JKS staff member       Other

*If Other, please elaborate:*

**Please write your contact details clearly below if you are interested in hearing about future stages of the design and construction processes.**

**Name:**

**Email:**

*Please ideally give an email address, to help us save on paper and printing.*

**Address:**

**Postcode:**

**Telephone:**

**Thank you!**
