Core purpose of the role:

We are looking for someone with ambition and vision; someone who will thrive on our core values of academic excellence, community engagement, personal development as well as sharing our goal of delivering a bilingual German education for everyone. Our vision is for children at Judith Kerr Primary School to live and learn two or more cultures, preparing them to become socially active and open-minded citizens.

If you are a qualified teacher, with boundless energy and enthusiasm to help us continue on our journey in our Free School, then we would like to meet you. You will be an excellent classroom teacher and have the capability and determination to provide outstanding lessons every day.

NQT's welcome to apply.

Knowledge and experience with the UK National Curriculum is essential. Teachers do not need to be German speakers to apply; we offer opportunities for you to learn German whilst at Judith Kerr.

Key priorities and responsibilities:

The right candidate will:

- Set high expectations which inspire, motivate and challenge pupils.
- Promote good progress and outcomes for all children.
- Demonstrate good subject and curriculum knowledge.
- Plan and teach well-structured lessons.
- Adapt teaching to meet the strengths and needs of all learners.
- Make accurate and productive use of assessment.
- Manage behaviour effectively to ensure a good and safe learning environment.
- Demonstrate consistently high standards of personal and professional

conduct. Uphold public trust in the profession and maintain high standards of ethics and behaviour, within and outside school.

To achieve success, the post holder will:

Meet all the teaching standards to a high level and promote school values and ethos in their practice.

In addition to this application, you will need to attach an up-to-date CV/ personal statement addressing the information requested on the Person Specification for Class Teacher position.

This job description will be supported by the school improvement plan which may identify key distinct tasks and responsibilities for this role in the school year. These will be derived from ongoing school self-evaluation and other local/national priorities. The Postholder's duties must be carried out in compliance with the school's policies and procedures including child protection and safeguarding procedures.

These duties and responsibilities should be regarded as neither exhaustive nor exclusive as the post holder may be required to undertake other reasonably determined duties and responsibilities commensurate with the grading of the post.

The school is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment.
