

JKPS Review of Sports Funding

At Judith Kerr Primary School we aim to establish a sporting culture that enables all our children to play and enjoy all sports and acquire a range of skills across the PE curriculum. We have established a number of after school clubs run by external providers: Little foxes, Capoeira and Karate as well as internal clubs such as Football team coaching, offering a wider variety of sporting opportunities to all pupils. We follow the London PE and Sports Competition calendar and our children participate in a range of sporting events.

Our sports funding will be used to:

- Continue to ensure the quality of PE provision is of a high standard, maintain up-to-date PE curriculum updates, leading staff training and participating in a competitive calendar of events.
- Increase the skill level of all staff by delivering PE training for lesson and lunch time games.
- Providing opportunities for children to compete.
- Continue to extend the after-school sports provision.

Total		Approx. £22000

Measure of impact: we will measure impact of the sports funding as part of our monitoring and evaluation of provision schedule. We will look at the breadth and depth of the PE and sports provision we are offering, identify the areas for development and ensure that the needs of the pupils and staff are met. We will evaluate the progress in PE as well as the self-esteem, confidence and the numbers of pupils involved in sporting activities in and out of school. We will evaluate the impact of professional development activities by observing the quality of teaching and pupil voice.

End of 2019-2020 review:

Over the past two years the school has developed a clear curriculum map which has enabled children to experience a wide variety of sports. A clear and cohesive tool has also become available to track attainment and progress.

Pupils have participated in a range of competitive events and skill building sessions led by the London PE Sports network which they have thoroughly enjoyed. These sessions built confidence and engaged pupils in sport who often shy away from PE lessons. Thanks to CPD sessions pupils are generally more active throughout the lesson and constantly engaged which has built attainment. There is a clear aim to ensure all lessons are inclusive and this is evident in lessons.

In July 2020, the school was awarded a LPESSN School Games recognition award for participation in games and training during the year.
