After School Care – Summer Term

Attached is the letter outlining After School Childcare provision for next term. Please ensure that you make your bookings for this as early as possible as we have to be mindful of numbers and adult/child ratios. The list of children attending can't grow and grow, so it is better if we organise our allocations and attendant staff at the beginning of the term.

Wishing you a blissful weekend and looking forward to seeing you an hour earlier on Monday, 19th April 2021 after the clocks moving forward to British Summer Time.
